THE CONSTRAINTS

- Time box: 10 Minutes
- 1 Project Sponsor per Table
- Select 1 Business Analyst per Table
- Only the Business Analyst can ask questions of the Sponsor.
- The Team can direct questions to the Sponsor through the Analyst and can use the answers to jointly determine how to proceed.
- All Team members, including the Sponsor if asked, can work together to build the puzzle.

DISCUSSION QUESTIONS - AT YOUR TABLES, DISCUSS THE FOLLOWING....

- Were you successful? Why or why not?
- What roles did everyone take within the Team? How were those roles assigned?
- How did we communicate with each other?
- What assumptions did you make? How did those assumptions impact your success?
- What would you change if you had to do it again!
- What did you discover about teamwork and product development?

TBD

PROJECT SPONSOR GUIDANCE AND TIPS

- Your assigned puzzle is: _____.
- Answer questions only from the team appointed Business Analyst.
- Once the puzzle is identified, only the Team can retrieve it from the table.
- You can participate in assembling the puzzle but only at the request of the Team.
